Let's Innovate

## Hot Water Bowser

### Standard Features:

- Tool Box
- Engine Cage
- Hose Reel
- Lance Holder
- \*\*Available in 500, 1100, 2000Ltr tanks

### Hot Water Bowser: 180-10

Flow: 17Lpm  
Pressure: 170Bar  
Temperature: 140 Degrees c  
Detergents: Low pressure chemical  
Features: Pressure regulator valve

### Hot Water Bowser: 200-220

Flow: 22Lpm  
Pressure: 200 Bar  
Temperature: 30-140 Degrees  
Pump: 3 piston plunger pump  
Motor Speed: 1700Rpm

Morclean produce a full range of water bowsers and trailer mounted pressure washers and are one of the market leaders in bespoke and special build machines.

Either driven by petrol or diesel engine, the pressures range from 100 to 500Bar (1450 to 7000Psi) and are mounted to bowsers.

10Hp hot water pressure washer mounted on water bowser made from polypropylene. Single cylinder Lombardini engine, air cooled, pressure reducer. Great for when a water supply is unavailable.
