

Performance Pro

The Morclean Performance Pro Pressure Washer provides hot water in a mobile capacity. This top of the range professional hot water pressure washer is designed for heavy-duty usage. It is fitted with the latest technology such as a water-cooled jacketed pump for extended pump life and reliability.

Ideal for applications in industries such as; agricultural, food, heavy industry, machinery, vehicle cleaning, shipping, quarrying, petrol stations & oil forecourts.

STANDARD FEATURES

- Three ceramic coated pistons
- brass axial pump head with built-in by-pass valve.
- Low voltage and delayed Total Stop.
- Suction and delivery valves s/s.
- Vertical burner with high thermal efficiency steel coil.
- Regulation Temperature gauge Low fuel lamp.
- Safety valve.
- Built-in Detergent tank for indirect suction.
- Pressure regulator.
- Pressure gauge Glycerine.
- Panel with analogic controls.
- Heavy duty steel frame.
- Accessory holder.
- Two ways fuel pump.

Technical Specifications

Voltage: 240 V

Wattage: 5500 W

Pressure: 150 bar

Flow Rate: 660 Ltrs/h

Max Temperature: 140oC

Motor Speed: 1450 rpm
